

*Michael Grossbauer, Compliance Health and Safety Officer, Toledo Area Office*

*BS Occupational Safety and Health from Ferris State University, followed by 28 years as an OSHA Health compliance officer. I have worked in several different area offices and have conducted compliance inspections in Louisiana, Alaska, California, Illinois, Michigan and Ohio in a wide variety of general industry and maritime settings. Currently conducting safety and health inspections including audits under the Recordkeeping National Emphasis Program for the Toledo Area Office.*

*I will review recordkeeping and reporting requirements for all employers, common recordkeeping mistakes that could result in citations and penalties, and answer questions related to the recordkeeping requirements.*
