

Scott Goodwin is the Director of Safety and Training for the Associated General Contractors / Construction Contractors Council of Northwest Ohio. He is also employed by the National Electrical Contractors Association of Southeast Michigan and Northwest Ohio. These positions allow Scott to work with almost 220 Union construction companies representing over 9000 trade people and another 3000-5000 staff. Scott has a Bachelors Degree in Safety Engineering from Fairmont State University in Fairmont, West Virginia where he was born and raised. He has been involved in construction safety since 1993, starting with the Division of Safety and Hygiene Bureau of Workers Compensation then working for Mosser Construction, Inc. as the Senior Field Safety Officer. Scott is a Lieutenant with the Ballville Township Fire Department and has been an active volunteer fireman since 1984. He is also a member of the Northwest Ohio Urban Search and Rescue Team, Region 1 for Ohio.

Scott is responsible for implementing training, safety audits of projects, program development and review, OSHA compliance assistance, OSHA inspections, company representation at informal hearings, accident investigation assistance and injury reduction reviews. Scott is a Certified Occupational Safety Specialist, OSHA 500 instructor, MSHA Part 46 instructor, Medic first aid / CPR instructor, forklift and aerial lift trainer, respirator trainer and general safety instructor. Some training classes provided are the OSHA 10, 16 and 30 hour classes, MSHA 8 and 24 hour classes, first aid / CPR / AED, forklift training, aerial lifts, confined spaces and rescue, trenching and excavating, respirators and many others.

Scott works one on one with contractor members and other outside companies assisting them in their safety needs. He works closely with the entire construction industry across the country, AGC membership and OSHA on updates and awareness of current safety issues, site audits, accident investigations, fatalities, and informal hearings with OSHA. Scott is an active trainer and presenter in all businesses including general industry and manufacturing. Scott can be reached at 419-241-3601 office or 419-351-9438 cell.
