Sharon Roman
Biographical Information

Sharon Roman graduated from East Tennessee State University in 1986 and has been president of Regulatory Compliance Consultants, Inc. since 1991, a national business that assists employers with their health and safety issues. In this capacity RCC develops written safety programs, investigates accidents working with clients, attorneys and insurance companies, conducts a wide range of safety training including CPR and First Aid, conducts monthly safety committee meetings for multiple clients, conducts monthly safety inspections for multiple clients, among other tasks.

She is a member of various organizations, including the National Association of Women Business Owners, the American Society of Safety Engineers, and the National Environmental Trainers Association. She serves on Penta Career Center's Advisory Board, is currently Vice-Chair of the Safety and Health Day in Toledo Committee, and serves on the Toledo Chamber of Commerce Workplace Regulations Committee. Ms. Roman is also currently serving on the Safety Professionals and the Latino Workforce (SPALW), a subcommittee of OSHA which is an alliance between OSHA and The American Society of Safety Engineers. In this capacity she assists in translating training materials from English to Spanish for Latino workers. She also conducts on-site certifying audits for the National Women Business Owners' Corporation for other women-owned businesses.

Presentations have been made to many local and national organizations in addition to continuous on-site training for clients. She is a certified instructor-trainer in Cardiopulmonary Resuscitation, First Aid and is an authorized OSHA instructor.

Ms. Roman partners with Mid-America OSHA Education Center as an instructor and instructor trainer for various safety topics, including the 10- and 30-hour classes for general industry and construction courses.

Regulatory Compliance Consultants, Inc. is a certified Woman-Owned Business. Ms. Roman is also one of four OSHA instructors in the state of Ohio approved by OSHA to conduct safety courses in Spanish.
